In re Application of
Muh-Rong Wang
Application No. 10/623,633
Filed: July 22, 2003
Attorney's Docket No. MR1917-129

ON PETITION

This is a decision on the petition styled under 37 CFR 1.181 and filed December 18, 2003, which is treated as a petition under 37 CFR 1.182, requesting that the Notice of Omitted Item(s) in a Nonprovisional Application, "Notice", mailed November 28, 2003, be withdrawn.

The petition is **GRANTED**.

The application was filed July 22, 2003. However, on November 28, 2003, the Office of Initial Patent Examination mailed a "Notice" stating, that the application had been accorded a filing date but that Figures 3-4, as described in the specification, appeared to have been omitted.

In response, on December 18, 2003, the present petition was filed. Petitioners argue that six sheets of drawings were filed upon application and that Figures 3 -4 were included with the other application papers filed on July 22, 2003.

Upon a review of the application file, Figures 3-4 have been located among the application papers filed on July 22, 2003.

The petition is **GRANTED**. The "Notice" mailed November 28, 2003 is vacated.

In view of the above, no petition fee is necessary and none has been charged.

The application is being forwarded to the Office of Initial Patent Examination for further processing.

Telephone inquiries related to this decision should be directed to the undersigned Petitions Attorney at (703) 305-4497.
